Q. No.	Sub Q. N.	Answer	Marking Scheme
1.	(d)	<p>Explain the term 'Recycle and Reuse'. Ans: Recycle: Recycling is the process of converting the waste material into usable things. It also means processing the waste material. By recycling, we can reduce air, water and soil pollution. We can save the environment by proper recycling instead of throwing in a trash. Reuse: Reuse means using gadgets that has still some life left. We can help the environment by reusing the gadgets instead of throwing in a trash.</p>	01 01
	(e)	<p>Describe Arunima Sinha in two to three sentences. Ans: Arunima Sinha is the first Indian amputee to climb the Mount Everest. Among women amputee, she is the second one to climb the Mount Everest. In 2015, she was awarded the Padma Shri, the 4th highest civilian award in India. <i>(Note: Students can write other information of Arunima Sinha.)</i></p>	02
	(f)	<p>State any four qualities of Mr. Lal that have inspired you. Ans: The qualities of Mr. Lal that have inspired me are his efficiency in managing the team, ability to delegate, multitasking skills, leadership skills, talent and his transition from a doer to a mentor. <i>(Note: Students can write about other qualities as well. Appropriate four qualities can be given full marks.)</i></p>	02
	(g)	<p>What mistake did the HR people realise in recruitment ? The HR people realized, mistakes were happening when people were recruited based only on marks. They realised that candidates with 'good marks' were not qualified for 'work'. They also realised that some candidates who scored good marks did so because of good 'memory' rather than intelligence. In some cases, it was just luck. What they studied was asked in the exams.</p>	02
2.	(a)	<p>Attempt any <u>THREE</u> of the following : Narrate the experience of Arunima during Mount Everest Expedition. Ans: Arunima started her expedition on 1st April, 2013. When she entered the death zone- 3500 feet from the top of Mount Everest- the most difficult terrain started. She saw dead bodies of mountaineers scattered all around. A Bangladeshi mountaineer took his last breath in front of her eyes. She was frightened but she kept on moving anyhow. She told herself that neither can she go back from here nor she can die before reaching the summit. Seeing Arunima struggling immensely with the artificial leg, her Sherpa kept on advising her to return back. But she did not give up. She told him that she can't die before conquering Mount Everest. Thereafter, he started motivating her for the rest of the expedition. She reached the summit of Mount Everest on 21st May 2013- exactly after 52 days. When Arunima reached the top, everything changed; she raised the Indian tricolour and placed some pictures of her idol Swami Vivekananda next to it.</p>	(12) 04

	(d)	Write a paragraph on 'E-Waste Management'. (75 words) <i>Ans:</i> Electronic waste is a serious problem of the world. Electronic waste from gadgets and devices includes dangerous chemicals like lead, cadmium, beryllium, mercury and brominated flame retardants. When we dispose off gadgets and devices improperly, these hazardous materials have a high risk of polluting the air, contaminating soil and leaching into water sources. Therefore, we need to do „E-Waste Management'. Every time when we replace one of our electronic devices, it's our responsibility to be sure that our device gets recycled properly and not shipped to third world countries. We should find a responsible e-waste recycler. We can use a Certified E-Waste Recycler through the Basel Action Network (BAN) and give them our gadgets for disposal. We can visit Civic Institutions like local government, schools and universities for additional responsible recycling options. We can <i>also</i> search retail options like Best Buy for proper disposal of gadgets. We can donate our electronics gadgets if it still has life left. (<i>Note: Contents may vary.</i>)	04

1.	(a)	Attempt <u>any five</u> of the following: State the views of JRD Tata about a leader. Ans. According to JRD Tata, leadership meant motivating others. So leader should motivate others. To be a leader, one has to get to lead human beings with affection. The leader should identify talent easily. And once he/she is confident that a manager would perform, he/she should give the manager a long hope.	(10) 02
	(b)	Describe the role of Mr. Lal as a doer in the organization. Ans. When Lal started the organization, he was a 'doer' in the organization. He used to 'do' everything including a coding, system architecture, accounting, administration, back office or business development. He was solely responsible for these activities. The 'doer' phase helped him to sustain, as he had to curtail costs. It also helped him to know all the nuances of the business. As he said without Doer stage, he would've never understood higher management thoughts.	 02
	(c)	Describe the family condition of Shiva Kumar during his childhood and school life. Ans. The family condition of Shiva Kumar during his childhood and school life was not financially well off. His father was an out-of-work lorry driver who did not have Rs.15,000 to pay Shiva's annual fees. Shiva's mother sold her jewellery for his admission in Maruthi Vidyalaya, an ICSE School. Shiva and his elder sister Yogeshwari used to sell the garlands at traffic signals and other places after their school. Shiva used to sell the newspapers. Despite all this hard work, money was insufficient for the family.	 02

The doctor told his father that Anish's brain had been severely injured and he would collapse in a couple of hours.</p> <p>However, he was not ready to accept that. So he shifted Anish immediately to a leading hospital. The neurosurgeon there, examined him and decided to go for a surgery. Alone he was waiting outside the operation theatre at 2.30 am, weeping continuously. Wild thoughts like "In what state is he going to be after the surgery? Is he going to be alive? Is he going to be normal? Will he ever speak again? Is he going to walk, or will he have to use the wheelchair?" ran in his mind. After the surgery, the doctor told him that in a scale of 1 to 15, where a normal person would be rated 15, Anish could be rated only three. He was then shifted to a special room with 24-hour special nurses to take care of him. Tubes were inserted into his body to aid breathing, feeding and urination. The right side of his skull was cut open and kept in his abdomen for future use. The only movements in his body were that of his head, which moved right and left and his eye balls. He was thinking why that plight had befallen his son.</p>	04
	(c)	<p>Summarize the contribution of JRD Tata as a philanthropist. Ans: JRD Tata was a philanthropist who wanted India to be a happy country and did all he could to make it so. He was also a man of great sensitivity and was pained by the poverty he saw around him and wanted strongly to alleviate it. He was a patron of the sciences and the arts. As a patron of the arts, JRD was revered by India's artists, sculptors and performing artist. Under JRD's tutelage, the Tatas became the biggest buyers, promoters and supporters of the art world in India. As a philanthropist, JRD Tata built up the tremendously active Tata Charitable Trust and kept it alive. Entrepreneurs like Sir Homi Mody, Sir Ardeshir Dalal, Sir Jehangir Ghandy, Russi Mody, Sumant Moolgaokar and Darbari Seth, etc. were developed under JRD Tata's supportive climate. Scientists of international repute such as Homi Bhabha, leading lawyers such as J. D. Choksi and Nani Palkhivala and economists such as John Matthai, A. D. Shroff, D. R. Our forests are important source of natural wealth covering one fifth of the country's land area. They supply the timber for the railways, house building and furniture making. They also supply the fuel for cooking and bamboo for paper making. Medicinal herbs also come from the forests.

In the olden days our wise men and philosophers had their "Ashrams" in the forests. These Ashrams were centers of knowledge and learning. Unfortunately forests were ruthlessly cut down in the past few years. While the forests are disappearing the demand for timber is growing. We must therefore, protect and develop our forests. "Vana Mahotsava" is a most important step in this direction. It is observed for a week in July every year. During this week lakhs of saplings are planted throughout the country. This is being done to restore our fast disappearing forests.

Questions :

- (i) What do forests supply for paper making ? (1)

In online classes, computer or mobile may affect our eye sight but there is no such harm in traditional classes. In traditional classes, moral values are taught whereas in online classes, the importance is given only to curriculum. In traditional class, every doubt of a child can be cleared whereas it is not possible in online classes. Traditional classes can clear the concept of a child in a manner which he/she understands but for online classes, the content is fixed and cannot be changed according to the learners' ability. <i>(Note: Contents may vary.)</i>	04
	(d)	Write a paragraph on "Wi-Fi Technology". (75 words) Ans: Wi-Fi is a technology that uses radio waves to provide network connectivity. It stands for wireless frequency. 6.	b)	Read the following passage and answer the given questions : Our forests are important source of natural wealth covering one fifth of the country's land area. They supply the timber for the railways, house building and furniture making. They also supply the fuel for cooking and bamboo for paper making. Medicinal herbs also come from the forests. In the olden days our wise men and philosophers had their "Ashrams" in the forests. These Ashrams were centers of knowledge and learning. Unfortunately forests were ruthlessly cut down in the past few years. While the forests are disappearing the demand for timber is growing. We must therefore protect and develop our forests. "Vana Mahotsava" is a most important step in this direction. It is observed for a week in July every year. During this week lakhs of saplings are planted throughout the country. This is being done to restore our fast disappearing forests.	
		Questions : What do forests supply for paper making ? (i) Ans: Forests supply bamboo for paper making.	01
		(ii) What was the purpose of Ashrams? Ans: The purpose of Ashrams was to provide knowledge and learning.	01

One night in 1782, Joseph noticed something that gave him an idea. He was sitting in front of fire when he saw some small pieces of scorched paper carried up the chimney. Soon afterwards the brothers made an experiment. They lit a fire under a small silk bag which was opened at the bottom. At once the bag rose to the ceiling. After this, they made many more experiments, both indoor and in the open air. Then they built a huge balloon of linen and paper. On June 5 th , 1783 they sent this balloon up in the village of Annonay, where they lived. The first ascent in England was made on September 15 th , 1784 by Vincent Lunardi, an Italian who was living in England. Lunardi took off in a hydrogen balloon from a field in London, taking with him a Pigeon, a cat and a dog. He had to come down to leave the cat which was suffering from the cold, but afterwards flew on to Standon in Hertfordshire.
