I am very happy to bring out the first issue of the Mechanical Engineering Departmental Newsletter. This newsletter outlines various activities that have taken place during the period of August to December, 2023 and the achievements of faculty and students. Various guest lectures and industrial visits are organized this semester to improve knowledge of the students. Pre-placement training is offered to the final year students to make them prepared for the job interviews. The Department of Mechanical Engineering is putting all efforts to ensure the overall progress of the students. Any suggestions for further improvement will be greatly appreciated.

Vision

“To become a center of excellence in mechanical engineering for producing competent, creative, mechanical professionals to meet socio-technical challenges.”

Mission

- To provide a platform to the students towards attaining quality education in mechanical engineering.
- To sharpen the professional skills of our students & enable them to compete in the complex world by engaging in industry-institute interactions & various training programs.
- To educate students about professional, environmental & ethical responsibilities with leadership and entrepreneurship qualities for their career development.

EXPERT LECTURES

Expert lecturers provide an important educational experience for students based on their real-world life experiences. Students get to see the insight and perspective of the guest lecturers' specific field. The format can enable students to interact with professionals in formal and informal settings.

On 10th January 2024 we have arranged this guest lecture to Mechanical Engineering students by Mr. Joshi L.D. sir on "Velocity & Acceleration". This lecture covered Determination & Drawing methods of velocity & Acceleration diagrams & its industrial applications.

Alumni Guest Lecture on "Manufacturing & Production in Company" by Mr. Somnath Chavan production team manager in Nord Drive Pvt. Ltd, Pune On 9th March 2024. We have arranged this guest lecture to T.Y. & S.Y. Mechanical Engineering students.

Expert Guest Lecture on "Design Lever & various application" by Mr. Dongare S.D. During this lecture covered the various parameters of lever design methods & its industrial applications..

INDUSTRIAL VISIT

Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms.

On 09 October 2023 an industrial visit was organized by DEPARTMENT OF Mechanical Eng. to Difacto Robotics And Automation Pvt. Ltd for Second & third year students as a part of curriculum. The visit was helpful to enhance the knowledge about the mechatronics system and simulation of robots.

On 2 On October 2023 an industrial visit was organized by Mechanical Engg. to Menon Bearing Limited for Second & third year students as a part of curriculum. During this visit Mr. Patil (chief officer) introduced the information of various methods and processes of bearings carried out in plant.

KHO-KHO

KABADDI

Ms. Gauri Tanaji Dhanawade student of mechanical engineering won the first prize in zonal level IEDSSA Shot Put sport competition.

Mr. Dattaraj Prashant Lawate student of mechanical engineering won the Runner-Up prize in zonal level IEDSSA discus throw sport competition.

Department Of Mechanical Engineering		
Second year		
S. no	Name of student	Percentage
1	Ravalu Dhiraj Anna	69.53
2	Dhope Sanika Suryakant	68.47
Third Year		
3	Amol Satyavan mude	76.78
4	Alisha Abdulmajjid Patil	72.11
