HOD DESK

The Department of Computer Science and Engineering welcomes you to be a part of the thriving computer science community and become visionaries and change makers of the future.

Our distinguished faculty members ensure a wide range of diverse learning experiences ranging from the fundamentals of Computer Science, Core Courses, Programming, Emerging Technologies like Big Data Analytics, Data Mining, IoT, AI, Machine Learning, Cyber Security, Block-chain, Professional Ethics, Research Methodologies and Open-Source Technologies—to name just a few.

With a strong emphasis on Context & project based learning through mini projects, industry visits, guest lectures, student activities & Leadership events, professional societies like Computer Society of India and incubation center. Well maintained labs with all open source technologies and all latest tools and software. We believe that this approach to teaching-learning, coupled with practical experience gained during Industrial Training in reputed organizations, equips our students to handle the challenges posed by the software industry. I am confident that one can find our students worthy of the organization where they join.

The Department of Computer Science and Engineering is putting all efforts to ensure the overall progress of students. Any suggestion for further improvement will be greatly appreciated.
