EVENT SUMMARY

The Department of Electronics & Telecommunication Engineering successfully organized an Industry Expert Lecture on “Industrial Automation & Controls” for SY and TY students. The session was conducted by Shri. Amol Sajjan Patil, Senior Maintenance Engineer, Kothari Agritech Pvt. Ltd. The introduction was given by Mrs. M. N. Bhingare. The expert covered industry-oriented concepts and interacted with students through an engaging question-answer session. Students actively participated and clarified their queries. Shri. D. M. Gajare felicitated the Resource Person. The HOD, all E&TC faculty members and Shri. V. N. Baad were present. The overall event was conducted smoothly and successfully.

STUDENT OUTCOME: Students gained industry-oriented awareness of automation and control systems, practical applications, and career-relevant knowledge through direct interaction with an industry expert.
