About MSBTE

MSBTE Mumbai is an Autonomous Organization of Government of Maharashtra. MSBTE designs and develops the curricula of Diploma, Post Diploma and Advanced Diploma Programmes. It Organizes Faculty Development / Training Programmes such as content updating training, soft skills training, industrial and management training and hands on skills training for polytechnic teachers. It undertakes controlled academic autonomy projects of the Polytechnics outside Maharashtra State. So far MSBTE has undertaken many external projects, consultancy and other assignment related to examination system and technical education. It organizes career fairs to promote technical education especially in remote places. It also organizes State level technical competitions such as Paper Presentation, Technical Quiz, Project Competition etc. for polytechnic students.

About Competition

An engineer's mind is competitive. The MSBTE Project Competition seeks to encourage diploma engineering students' inventiveness, talent, and innovation. It is a powerful tool for getting kids interested in creating workable answers to real-world issues and expanding their knowledge beyond what is taught in the classroom. Students will have the chance to showcase their skills, push themselves, network with leading companies, test their ideas, fulfil their aspirations, and cultivate an interest in engineering through the project competition. The most creative projects will be submitted to MSBTE for patenting. Entrepreneurs and industrialists will visit the location to assess the project's value from the standpoint of commercial and industrial applications.

MSBTE Promoting Patents

So far 34 patents published on Student's Projects. MSBTE will reimburse entire processing fees for the patent obtained by student/Faculty by affiliated institution.

Patents should essentially be based on project prepared by Polytechnic students. Patent should be filed jointly by patentee (Student /Faculty), parent Institution & MSBTE.

About the Institute

Government Polytechnic, Miraj, Maharashtra was established in 1990. The institute offers diploma programmes in Civil Engg., Computer Engg., Mechanical Engg., Medical Electronics and Polymer Technology. All these programmes are recognized by AICTE, New Delhi and affiliated to MSBTE, Mumbai, Maharashtra State. Recently the Medical Electronics department has been accredited by the National Board of Accreditation (NBA).

In its constant endeavour of instilling quality technical education, Government Polytechnic, Miraj adopts strategies to enhance the quality in teaching-learning through outcome based education.

Programme	Sanctioned Intake
Civil Engineering	60
Computer Engineering	60
Mechanical Engineering	60
Medical Electronics	30
Polymer Technology	40

Rules

- No Registration Fee.
- Only one entry per institute is allowed.
- Every institute shall scrutinize and identify the best innovative project in their institute & recommend only one project for the competition.
- The project shall be application based, design and Fabrication/ Practical/ Implementation.
- The project team shall be asked to demonstrate the project.
- The project/model should be in working condition
- Only final year students of academic year 2023-24 can participate.
- Maximum five participants per group from same institution will be allowed.
- Students must bring their valid college ID Cards.
- Internet dongle and power supply spike guard/ extension board, if necessary, to be brought by participants themselves.
- Decision given by the judges in all the matters will be final and binding to all the participants.
- A panel of Experts will identify winner and runner up in the competition.
- Participants should bring copy of the project report while coming to the competition.
- Certificate of participation will be awarded by organizing institute.
- Accommodation facility will be provided to limited number of outstation participants free of cost only for one day.
- Lunch will be provided to all registered participants
- No TA/DA will be provided.

How to Apply?

Online Registration by institute
MSBTE Website: www.msbte.org
Under Academic Monitoring Portal through participative Institute Login by 17th March 2024

Assessment Parameters

- Prototype / Working Model / Virtual Model /Mock-up Model
- Choice of Technology
- Eco-Friendly
- Best use of Available resources & materials
- Functionality
- User Friendly
- Ingenuity & Innovativeness
- Aesthetic & Completeness of project
- Social Impact
